1 (b)(i) **Statements of Financial Position** (continued)

Note:-

- (a) The decrease in the Group's current trade and other receivables is largely due to the repayment of loan by a joint venture company.
- (b) The decrease in the Group's development properties is primarily attributable to the recognition of capitalised development costs in the income statement.
- (c) The disposal of the assets held for sale were completed during the current period.
- (d) The decrease in the Group's investments in associated and joint venture companies is primarily due to currency translation loss.
- (e) The decrease in the Group's other current liabilities is primarily due to the recognition of advance payments from purchasers for development projects in the income statement upon completion of the sales.
- (f) The decrease in the Group's and the Company's non-current borrowings is mainly due to the reclassification of medium term notes which became current and the repurchase of its medium term notes.
- (g) The decrease in the Company's current and non-current trade and other receivables is mainly due to the repayment of loans from its subsidiary companies.

At 31 December 2020, the Company's issued share capital (excluding treasury shares) comprises 770,499,560 (30 June 2020: 769,061,760) ordinary shares. The total number of treasury shares held by the Company as at 31 December 2020 was 23,427,700 (31 December 2019: 24,865,500) which represents 3.0% (31 December 2019: 3.2%) of the total number of issued shares (excluding treasury shares).

There were 1,437,800 (31 December 2019: 1,336,300) treasury shares reissued pursuant to the employee share plans for the first half year ended 31 December 2020.

2 **Whether the figures have been audited or reviewed, and in accordance with which auditing standard or practice.**

The above figures have not been audited and reviewed by the Company's auditors.

- 3 **Where the figures have been audited or reviewed, the auditors' report (including any qualifications or emphasis of matter).**

Not applicable.

- 4 **Whether the same accounting policies and methods of computation as in the issuer's most recently audited annual financial statements have been applied.**

The Group has applied the same accounting policies and methods of computation as in the audited financial statements for the financial year ended 30 June 2020.

- 5 **If there are any changes in the accounting policies and methods of computation, including any required by an accounting standard, what has changed, as well as the reasons for, and the effect of, the change.**

Not applicable.

- 8 **Review of performance of the group**

For the half year ended 31 December 2020 ("current period"), the Group recorded a total revenue of S\$243.4 million. This represents a 33% increase from the S\$183.5 million revenue recorded for the half year ended 31 December 2019 ("corresponding period"). The current period revenue from development properties was mainly attributable to the additional units sold in Le Nouvel Ardmore and the progressive sales recognised from The M at Middle Road in Singapore.

The Group recorded net profit before income tax of S\$72.3 million in the current period as compared to S\$39.5 million in the corresponding period mainly due to the higher contribution from the development properties.

In the current period, the Group's net profit attributable to shareholders was S\$56.8 million as compared to the S\$32.8 million recorded in the corresponding period.

The Group's net asset value per share as at 31 December 2020 was S\$4.15 as compared to S\$4.18 as at 30 June 2020. The Group was in a net cash position as at 31 December 2020.

9 **Where a forecast, or a prospect statement, has been previously disclosed to shareholders, any variance between it and the actual results.**

The current announced results are in line with the prospect statement previously disclosed to shareholders in the results announcement for the financial year ended 30 June 2020.

10 **Commentary of the significant trends and competitive conditions of the industry in which the group operates and any known factors or events that may affect the group in the next reporting period and the next 12 months.**

The URA's private residential property price index increased by 2.2% in 2020, as compared to the 2.7% increase in 2019. The total number of new residential units sold islandwide in 2020 was 9,982 units as compared to 9,912 units sold in 2019.

The Covid-19 pandemic has caused a severe disruption to the Singapore economy. Based on the advance estimate by the Ministry of Trade and Industry, the Singapore economy has contracted by 5.8% in 2020.

While the buying sentiments for the residential property is likely to remain stable in the current year, the Group will continue to exercise prudence in liquidity and capital management to ride through the uncertainties in the market.

11 **Dividend**

(c) The date the dividend is payable.

Not applicable.

(d) The date on which Registrable Transfers received by the Company (up to 5.00pm) will be registered before entitlements to the dividends are determined.

Not applicable.

12 **If no dividend has been declared / recommended, a statement to that effect.**

No dividend has been declared / recommended for the first half year ended 31 December 2020.

13 **Interested Person Transactions**

The Company does not have a shareholder's mandate for interested person transactions.

14 **Confirmation by the Board of Directors pursuant to Rule 705(5) of the Listing Manual**

The Directors confirm that to the best of their knowledge, nothing has come to their attention which may render the financial results for the first half year ended 31 December 2020 to be false or misleading in any material respect.

15 **Confirmation by the Company pursuant to Rule 720(1) of the Listing Manual**

The Company confirms that it has procured undertakings from all its directors and executive officers in the format set out in Appendix 7.7 under Rule 720(1) of the Listing Manual.
